

5 October 2017

Dear Parent/Carer,

Core Subject Information Evening – Tuesday, 10 October 2017, 6 – 7pm

The aim of the evening will be to explore ways in which we can support your child to ensure they achieve the best possible grades in their summer examinations. By this time we will have issued your child with the results from their recent mock examinations and this will be the ideal opportunity to discuss these with you.

The event will focus on giving guidance and will provide advice on how to guide and encourage your child, and also to share the best ways to provide support in these final few months.

There will be presentations from the Heads of Maths, English and Science which will outline what students can expect in the remaining period of study. After that, you will have the chance to discuss any concerns you may have with the Heads of Department, members of the Senior Leadership Team and the Year 11 Learning Manager.

We believe that a vital element in ensuring the success of our students is the support of parents and it is for this reason that we hope you can join us on 10 October from 6:00 to 7:00pm. We will be providing fish and chips at 5:30pm.

Please complete the reply slip below to confirm your attendance by 9 October 2017.

Yours faithfully

Mr A Downing
Principal
