Dear Parent/Carer

Bus Service at Outwood Academy City

I am pleased to confirm that Outwood Academy City have secured a new provider, TM Travel, for the Academy bus. You may be aware from local press news that Bright Bus, our current provider, will cease trading at the end of the academic year. I would like to take this opportunity to thank them for the service they have provided over recent years, I am sure you will agree this has been an invaluable service.

TM Travel will operate the service, with an unchanged route and schedule, this is outlined below. Whilst sourcing a provider of the service, I have worked with a number of companies in an attempt to keep costs for students and parents to a minimum and am pleased that the fares will be in line with local standard services. There is however, an increased cost to this service with the fare per student per journey increasing to £0.80, which was the best price we could secure.

Morning Route

Ensuring our students can arrive and leave the Academy safely and on time is our priority and the Academy bus service supports this. I am sure you will agree that the continuation of this service is vital and I hope you will continue to take advantage of this service.

Yours faithfully

Mrs J Jones
Business Manager
