Year 11 Sheffield College Applicants

Sheffield College have uploaded some 'bridging activities' to their website. This will allow you to get started on the work you will be undertaking in September 2020.

You can find the activities by following this link:

Or by heading to the Careers Advice page of our website.

Science Revision Website

Our Science website is now up and running. It contains lots of useful information, which may help with your online Science Google Classroom work.

Remember, you can comment on any of your assignments if you need help from your teacher.

If you have problems logging in, email enquiries@city.outwood.com with your name and your issue and one of our team will try and help.

OAC Stay Connected

Have you been following the weekly recipe challenge on our Stay Connected website?

This week's recipe was for Homemade Crumble, with this fantastic prize of a flexible cake mould up for grabs!

For further support, the Green Button on our website (www.city.outwood.com) can be accessed at any time of the day, or night. It contains lots of information and details of further support organisations.
