### Online Safety

**OWN IT**

Our focus this week is on online safety.

The BBC have a great App called Own It with lots of help and advice for all things 'online'. It can be found here: <https://www.bbc.com/ownit>

The Safe To Net Foundation has lots of advice and support for Parents and Carers about keeping young people safe online. It can be found here: <https://safetonet.com/foundation/covid/>

For further support, the Green Button on our website ([www.city.outwood.com](http://www.city.outwood.com)) can be accessed at any time of the day, or night. It contains lots of information and details of further support.
