

24 March 2022

Dear Parents/Carers

The school nursing team are holding a relaxed sensory session for children who are anxious about having vaccinations. This is a unique opportunity to familiarise yourself with some of our friendly team in a non-clinical, relaxed environment. You are welcome to bring more than one family member along.

We will have the time available to be able to provide information about vaccinations, listen to any concerns and introduce you to resources that can help with fear of needles. There will also be an opportunity to be vaccinated on the day, if your child is comfortable with this.

We will be on hand to support you with any challenges around accessing adolescent vaccinations for: COVID 19, HPV, TDP & Men ACWY on a one to one basis.

Call the 0-19 Sheffield Children's Vaccinations and Immunisations Team on 0114 305 3230 or email [scn-tr.sheffielddutysn.vacandimm@nhs.net](mailto:scn-tr.sheffielddutysn.vacandimm@nhs.net) to ask any questions or book an appointment.

Or just drop in to **The Concord Sports Centre**, Shiregreen Lane, S5 6AE on **Thursday 14<sup>th</sup> April 10am -2pm**, where we look forward to welcoming you.

Yours sincerely

Terri Ennals  
Public Health Staff Nurse  
Sheffield Children's NHS Foundation Trust
