

2nd October 2023

Dear parents and carers,

**Y11 Revision Festival Tuesday 10th October - 16:30-18:30**

All Y11 students are strongly recommended to attend the academy's autumn revision festival. This will be held on Tuesday 10th October at 16:30-18:30 for all Y11 students. An evening meal will be provided.

The event will begin with a talk from the Principal, Ms Rosaman, on the importance of establishing strong revision routines. Afterwards, students will participate in three 25 minute masterclasses, one each for English, Maths and Science. The Humanities department will also be in attendance to offer advice and guidance for students to achieve their potential in Geography and History.

As it is strongly recommended that all Y11 students attend there is no need to confirm your child's attendance. We will hope and expect to see them all there in full uniform.

Best wishes

Tom Spreyer  
**Vice Principal**
