

8th March 2024

Dear parents and carers,

Y11 Spring Revision Festival, Thursday 21st March- 16:30-18:30

All Y11 parents are warmly invited to attend the academy's Spring revision festival. This will be held on Thursday 21st March 16:30-18:30. Students are also welcome to attend, but the evening is predominantly aimed at how parents can best support their children in the run up to exams.

The evening will begin with a warm meal followed by a series of short masterclasses from Heads of Departments and other key staff. There will also be goodie bags with useful revision materials for all participants.

There is no need to confirm your and your child's attendance. We will hope to see you all there as we work together to prepare our Y11s for their upcoming GCSE examinations and next steps beyond school.

Best wishes

Tom Spreyer
Vice Principal
